The Sepulveda Basin Wildlife Areas Steering Committee is an advisory alliance comprised of the following organizations (as of 2024):

**Environmental Groups:**

- California Native Plant Society
- Friends of the Los Angeles River
- Los Angeles Audubon Society
- Resource Conservation District of the Santa Monica Mountains
- San Fernando Valley Audubon Society
- Sierra Club, Angeles Chapter
- Sierra Club, San Fernando Valley Group
- The River Project

**City-Affiliated Groups:**

- Department of Recreation and Parks, City of Los Angeles
- Encino Neighborhood Council
- Lake Balboa Neighborhood Council

**MISSION STATEMENT**

The mission of the Sepulveda Basin Wildlife Areas Steering Committee shall be to oversee, in its advisory capacity, the wildlife reserve areas and other areas of present or potential natural value within the Sepulveda Basin, including the Los Angeles River and its tributaries; and to support policies and programs that ensure their long-term preservation and protection.
