NAME, PURPOSE, AND MISSION STATEMENT

This organization shall be known as the Sepulveda Basin Wildlife Areas Steering Committee (the Committee).

The purpose of the Committee is to advise the City of Los Angeles Department of Recreation and Parks (the Department) concerning the operation, maintenance, and improvement of the existing wildlife areas and any future expansion thereof. The Committee may also make recommendations on matters concerning flora, fauna, and other natural resources in other areas within the Sepulveda Basin, such as the Los Angeles River and its tributaries, park land, and open spaces.

The mission of the Committee shall be to oversee, in its advisory capacity, the wildlife refuge areas and other areas of present or potential natural value within the Sepulveda Basin, as well as to support policies and programs that ensure their long term preservation, protection, and enhancement.
